

City of Brush! 2011 Event Survey Results

Events Attended in 2011

Favorite Events - Rank Top Three

What would you do to improve any of the events?

- Move antique tractor show to fairgrounds and make a two-day event.
- Make the Oktoberfest more traditional, i.e. a real German band. Increase the efforts for Cinco de Mayo and Latin American Heritage Fest.
- Advertise sooner.
- More ads.
- Two events not on the list are the annual antique show the first week of February, which is held at the fairgrounds, and the Family RV weekend also at the fairgrounds. These programs benefit the city/county and should certainly be supported.
- Spread the events out. Too much was happening in August-September.
- Rodeo – BE ON TIME with fireworks show. Oktoberfest – less food vendors. Combine some events like International Music Fest and heritage festival ...
- I would like to see more awareness for the International Music Fest! A lot of great music and talent, but sadly our community doesn't really know about it.
- Music louder at Library Park and less loud at VFW Park. International Music Fest after February.
- Better staging for entertainers at Customer BBQ, build a stage for VFW Park.
- More interesting data to look at.

Suggestions for a new event in Brush?

- Large Concert venue
- Big name concerts
- A Taste of Brush event With booths displaying all kinds of good food.
- Platte Valley band concert
- Airport fly-in; museum annual dinner; dog's day at pool closing
